# FAITH@HOME

At Shawnee Trail, we seek to inspire, equip, and assist you to become intentional about building a God-honoring home one step at a time. Faith@Home exists to create a culture of intentional families by giving you bite-sized, life-season specific resources that will form habits within your existing family. These resources are applicable for all stages of life. Both online and at our Faith@Home center, the following tools are available to help you take these steps:

**Pointers:** Beginning with eight common topics, these provide a biblical perspective on the most common family seasons and challenges, along with recommended resources, and a description of ministries available at Shawnee Trail for additional support.

**Idea Cards:** These make it easy for couples, parents, grandparents to take one small step to become more intentional at home, including marriage date nights, family time activities, connecting with your teen mealtime conversations, movie night chats, etc.

**Going Deeper Opportunities:** While we believe the home to be the primary place of spiritual formation, the church is an important partner in that journey. That is why Shawnee Trail offers a variety of ministry programs and resources designed to come alongside your family's faith journey. Resources are listed on Pointers specific to their topic.

The Center is located in the hallway outside the Prayer Room. We request that when you take a book, please write the title on provided tablet so we can replenish our inventory. Any donation you can make toward the purchase of books is appreciated.

## Devotional thought...

“God, you are near me always, so close to me; every one of your commands reveals truth. I’ve known all along how true and unchanging is every word you speak, established forever!”  
*Psalm 119:151-152*

The sun will set tonight; it will rise tomorrow. We’ve no reason to doubt what we’ve witnessed every day of our lives. But when experience tells us otherwise, or maybe we have no experience to go on, doubts creep in. Remember that God’s truth is unchanging; it’s sure as the sun that rose this morning and will set tonight. Jesus is the same yesterday, today, and forever.
